Customize your dress form

A dress form can be a useful tool during garment construction and design but how do you get one to fit you?

In this workshop you will learn to enhance your dress form to fit all your curves and scallops! During this workshop, a Certified Palmer/Pletsch Sewing Instructor will guide you thru the process.

You will:

- Access your overall body silhouette
- Pad out necessary areas (& laugh along the way!)
- Create a dress form cover
- Learn how to change your dress form as your body changes

Finally a dress form that I can actually use!
