--Palmer/Pletsch Workshop

The basic pant is back with a vengeance. Learn to fit and sew a basic pant with confidence.

During this 3 day workshop, a Certified Palmer/Pletsch Sewing Instructor will guide you thru the process. You will:

- Analyze your body and determine your appropriate size
- Understand common alterations – flat derriere, swayback, full tummy or inner thigh.
- Tissue fit and learn how to alter for your figure
- Pin fit the fabric to fine tune the fit
- Learn basic construction details including zipper and waist variations

If you have taken pant before, try a more advanced style like contoured waist.

A great fitting pant looks and feels fabulous!
