Pants for Real People ***Level 2 - Advanced Pant***

--Palmer/Pletsch Workshop

Building on your experience in basic pant, be empowered to sew any pattern design and make it fit.

During this 12 hour workshop, a Certified Palmer/Pletsch Sewing Instructor will guide you thru the process. You will:

- Tissue fit a contoured waist or trouser pant
- Fabric fit to fine tune the fit
- Experiment with different fabrics and styles
- Introduce designer details (pocket or hem details, zipper application etc.)

A great fitting pant looks and feels fabulous!
